Reference #: 8361352

Status: Complete

Type of Case:: Other

What Happened?:: I was falsely arrested for trespassing and drug paraphenailia.

I stood before the court 4 times.

Police never showed in court.

Charges were dropped.

During the arrest, I was forced to sit in a hot police car handcuffed for an hour.

I was jailed for three weeks.

While in jail, I went on a hunger strike.

This lasted two weeks, until I was threatened with a psyche evaluation.

I ended the hunger strike for that reason and because I had an official come to the jail and take a statement from me.

In front of me a UAB officer, came to the Birmingham jail after I was booked and took my computer, without reason or cause.

The computer was returned to me broken.

I have had no access to my files for going on four months even though I am a writer and songwriter and had just finished an Album, I intended to try to sell.
